### LETTER

FROM

## THE SECRETARY OF THE NAVY,

TRANSMITTING

A statement showing the names of clerks and other persons employed in that department during the year 1844.

JANUARY 7, 1845. Read, and laid upon the table.

NAVY DEPARTMENT, January 4, 1845.

Sir: I have the honor, in obedience to the act of the 26th August, 1842, respectfully to transmit the accompanying statement, showing the names of clerks and other persons employed in this department during the year 1844, or any part thereof, with the time each person was employed, and the sum paid each. I am of opinion that the services of the persons permanently employed in this department under existing laws, or any of them, cannot be dispensed with. The removal of individuals employed in the department, and the appointment of others in their places, are by law vested in the Secretary of the Navy. This power would be exercised in any case in which its exercise should be required for the better despatch of business. No such case is believed to exist at present.

I am, respectfully, your obedient servant,

J. Y. MASON.

Hon. John W. Jones, Speaker of the House of Representatives.

Blair & Rives, printers.

Statement showing the names of clerks and other persons employed in the Navy Department during the year 1844, or any part thereof, with the time each person was actually employed, and the sum paid each.
